

HONORING OUR TRANS COMMUNITY

ASIAN & PACIFIC ISLANDER HERITAGE MONTH

Tighearnan

(They/Them)

Tighearnan was born in Taiwan, adopted by a Chinese family, grew up in Sacramento then moved to Portland Oregon in 2013. Started organizing with several local movements including Palestine, the Philippines, indigenous, and Pan-African liberation movements. They now spend their time working and educating other queer, POC, and Africans in community defense, mutual aid, and the dismantling of capitalism and imperialism.

I will continue to unite the most oppressed peoples of the world to create and bring forth the society we all deserve to live in.
